wedding planning is just one timeline! we are here to make the process easier

6-12 MONTHS TO GO

Confirm your budget. We will sit and talk through how you want your day to run, the menus that you wish to select and the drinks you would like to offer. Decide upon additional suppliers such as entertainment, photographers and cake makers. We will give you a list of specially selected and trusted suppliers for you to choose from.

3-5 MONTHS TO GO

You will receive a first draft function sheet from us which will outline the basic timings and details for your big day. We will introduce ourselves to all of your selected suppliers to make sure everything is in place. *Confirm RSVP date.*

We will send a plan of the venue and proposed table layout for you to create your table plan. *Confirm menu.*

2 MONTHS TO GO

Inform us of your final numbers and any final information such as dietary requirements. Final schedule for the day is put in place. We will issue a final function sheet breaking down all the final details of the day.

You will be given time to review these details and reconfirm them with us. We will then meet with our operations team who will also be looking after you on your big day.

So on the day itself you can get your final flourishes done in our Bridal Suite and have the rest of your day to simply enjoy.
